LoyaltyMatch: Software Specifically Designed for Bitcoin Loyalty Programs

BITCOIN LOYALTY

Manage all aspects of your loyalty program without the hassle of implementing software. Leave the technical elements to LoyaltyMatch. Spend your time deepening customer relationships. LoyaltyMatch brings cloud computing to Bitcoin loyalty program implementations.

COMPLETE SOLUTIONS

LoyaltyMatch offers complete end-to-end solutions including loyalty program design, implementation, development, service and fulfillment.

- Our "*on-demand software"* means you won't pay upfront software costs. You simply **pay as you go**.

- A complete set of tools and powerful customization help you quickly build-out your loyalty program requirements.

- Easily tailored for Bitcoin loyalty programs.

- Social media integration enables individuals and communities to gather, communicate, share and collaborate.

LoyaltyMatch delivers the look and functionality of a customized loyalty program with the speed and reduced budget of an off-the-shelf product, without ever having to manage the IT resources or maintain expensive infrastructures.

LoyaltyMatch offers unique features, powerful customization, easier integration, and the best possible end-user experience. And, thanks to the OnDemand model your loyalty program can be deployed locally or global quickly and, free of hidden costs, high project failure rates and needless risks.

With LoyaltyMatch you pay only for the software required based on the size of your loyalty program. There are no hidden costs, costly upgrades or expensive maintenance agreements. You pay only for what you need.

.

LoyaltyMatch is easy to use and uncomplicated like many of the Web sites you use every day. You can access your company information from any mobile device, laptop or desktop computer allowing you to view customer data anywhere. Ease of use allows your loyalty program to be up and running in a matter of hours. You will see the ROI benefit in days. An innovative loyalty program, backed by the latest technology, helps you connect and engage with your best customers.

LoyaltyMatch clients achieve the fastest time to value through the deployment of a fully functional loyalty program application that is simple to deploy, inexpensive to operate, while providing a superior user experience.

LoyaltyMatch

LoyaltyMatch Features and Benefits

The science of bringing customers together is taken to a new level with LoyaltyMatch. The industry-leading SaaS loyalty program platform is helping businesses develop or improve their loyalty program offerings.

By harnessing the power of LoyaltyMatch businesses can ensure all loyalty program marketing dollars are spent wisely. LoyaltyMatch offers a loyalty solution that can be up and running in a day providing you with the foundation to bring your customers together at a single online loyalty program destination. A complete suite of tools and powerful customization to support any rewards process make it the only choice for marketers, program managers and business owners looking for success.
